**D. Qualification system****QUALIFICATION PRINCIPLES**

**Attribution of places:** For each wrestling discipline (freestyle and Greco Roman), the places obtained for the Olympic Games will be obtained by the athletes but allocated to the NOCs; at the end of each phase, FILA will confirm to the NOCs concerned the athletes qualified. The NOCs are, however, authorised to replace a qualified athlete who is injured or off form during the final entry, but only in the event concerned.

For all the wrestling competitions that are part of the qualification system for the London 2012 Olympic Games, all the NOCs (for the 1<sup>st</sup> qualification phase) and the NOCs concerned (for the 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> qualification phases) may enter a maximum of one wrestler by weight category in each style. The same goes for the Olympic Games.

**1<sup>st</sup> phase: 2011 World Championships (108 wrestlers)**

The first six male and six female wrestlers in each Olympic weight category, ranked in the 2011 World Championships, will be qualified for the Olympic Games, i.e. 108 wrestlers.

**2<sup>nd</sup> phase: 2012 Continental qualification tournament (144 wrestlers)**

Each continent organises a specific Olympic qualification tournament. The wrestlers qualified in the 1<sup>st</sup> phase will not be able to take part in the tournaments of this 2<sup>nd</sup> phase. The National Federations will not be able to participate with more wrestlers than the number who took part in the 2012 Continental Championships. Wrestlers from Oceania and Africa will participate together in one tournament. The first two male and two female wrestlers of each tournament of each Olympic weight category will qualify.

- Europe: 36 athletes
- Asia: 36 athletes
- America: 36 athletes
- Oceania and Africa: 36 athletes

**3<sup>rd</sup> phase: 1<sup>st</sup> 2012 international qualification tournament (50 wrestlers)**

Wrestlers qualified in the 2011 World Championships and those qualified through the 2012 continental qualification tournaments do not have the right to take part in this 3<sup>rd</sup> qualification phase. The countries will not be able to send other participants in the weight categories in which they already have a qualified wrestler.

All the other countries of all the continents may participate in this 3<sup>rd</sup> phase.

The first three male and two female wrestlers in each Olympic weight category ranked at this tournament will qualify for the 2012 Olympic Games.

**4<sup>th</sup> phase: 2<sup>nd</sup> 2012 international qualification tournament (36 wrestlers)**

Wrestlers qualified in the 2011 World Championships and those qualified through the 2012 continental qualification tournaments and the 1<sup>st</sup> international qualification tournament do not have the right to take part in this 4<sup>th</sup> qualification phase. The countries will not be able to send other participants in the weight categories in which they already have a qualified wrestler.

All the countries of all the continents may participate in this 4<sup>th</sup> phase.

The **first two male and first two female wrestlers** in each Olympic weight category ranked at this tournament will qualify for the 2012 Olympic Games.

**HOST COUNTRY REPRESENTATION**

If the host country has not qualified any athletes, it will have at its disposition three places that it will be able to use at its choice in three different events in freestyle or Greco Roman wrestling.

For each place obtained by the host country in the qualification phase, one of these three reserved places will be allocated to the tripartite commission for allocation in accordance with the set principles.

The number of places allocated to the tripartite commission may not be higher than three.

**TRIPARTITE COMMISSION PLACES**

Three tripartite commission invitation places will be made available to the eligible NOCs.

On 1 November 2011, the IOC will contact the eligible NOCs for the allocation of the tripartite commission places invitation.

The NOCs will have until 16 January 2012 to send their requests for invitation places to the tripartite commission. At the end of the qualification period, the tripartite commission will confirm in writing to the NOCs concerned, between 1 May and 9 July 2012, the allocation of invitation places.

Detailed information on Tripartite Invitation places is contained in the – Tripartite Commission Invitation Places - Information Paper for NOCs – which is included in the Games of the XXX Olympiad, London 2012 Qualification and Participation Criteria.

**E. Confirmation process for quota places****CONFIRMATION PROCESS FOR QUOTA PLACES**

At the end of each qualification phase, FILA will confirm to the NOCs concerned the athletes who have qualified.

Before 1 June 2012, FILA will confirm the final attribution of the places to the NOCs. The NOCs must confirm to FILA by 15 June 2012 at the latest the participation of their athletes in the Olympic Games, failing which, the unused places will be re-allocated by FILA in accordance with the procedure mentioned below.

**F. Reallocation of unused quota places****REALLOCATION OF UNUSED IF QUOTA PLACES**

The NOCs are authorised to replace one qualified athlete who is injured or off form in the final entries, but only in the event concerned and if the replacement athlete is eligible in accordance with the criteria defined in section C of this qualification system.

If no athlete replacing the aforementioned NOC should be eligible, the unused place will be allocated to the tripartite commission for allocation in accordance with the set procedure.

**HOST COUNTRY UNUSED QUOTA PLACES**

If the host country chooses not to use one or more places reserved in accordance with section D of this system, this place(s) will be re-allocated by the tripartite commission in accordance with the set principles.

**UNUSED TRIPARTITE COMMISSION PLACES**

If one of the NOCs that has benefited from a tripartite place chooses not to use it, this place will be re-allocated by the tripartite commission in accordance with the set principles.
